Dear Mr. Secretary,

I am writing to inform you about our intent to hold a raffle for the South Dakota Association of Resource Conservation and Development (RC&D) Councils. The funds will be used for programs associated with the RC&D plan of work objectives.

It is our intent to raffle a 2004 Harley Davidson Motorcycle and a Honda ATV. We are working with Petersen Motors and the North Central Resource Conservation and Development office to help organize this effort. Our goal is to sell 450 tickets at $100.00 each to raise $45,000.00. Raffle expenses will be approximately $25,500.00 leaving us with $19,500.00. We will draw for the winner during our annual meeting the in June 18th, 2004.

I have been told there is a thirty (30) day waiting period from the time we notify you before we can begin our raffle effort. I hope this letter can serve as notification. If you have any question or concerns please contact Joby Timm, RC&D Coordinator at (605) 224 - 1818.

Sincerely,

Joseph Leichtnam
